

Memories Project
Biggerstaff Christian Retreat Center

Dear Friends,

Biggerstaff has always been a place of memories. In 1980, Samuel Biggerstaff gave the 5 acres on Lake Keowee in the memory of his wife Bertha. The land was to be used by St. John's Lutheran Church for its members and the faithful of the area to experience the Glory of God. In the past 26 years thousands have enjoyed the grounds for fellowship. Help us preserve this place of memories in a very personal way.

Engraved granite markers will be placed in walls, walkways and gardens being created throughout the grounds. The markers will commemorate those special persons or events you wish to celebrate.

Each marker will be a 5"X10" polished granite stone containing up to 3 lines of characters 3/4 " in height. Each line will hold up to 15 spaces. The cost of these markers is \$100.00. Special order markers and items (such as benches) are also available. Pricing of these articles will be determined accordingly. All proceeds will go to the memories project.

Please take this opportunity to help us beautify Biggerstaff Christian Retreat Center. Let the memories made today be passed on to the generations of the future.

Please call Ray Burroughs at (864) 882-3337 with any questions you may have.

In the service of Christ,

Biggerstaff Committee

MEMORIES PROJECT
ORDER FORM

Thank you for your support of the Biggerstaff Christian Retreat Center memories project. The marker you have chosen will be placed in one of the special memorial gardens, walks or walls being developed throughout the grounds. You are adding to the beauty of Biggerstaff as well as sharing your memories with all who visit.

Markers are 5”X10” polished granite stones. You may have up to 3 lines containing 15 spaces each. The letters are ¾ inch in height.

Message on marker
